BRAZIL'S AMAZON CRUISE EXPERIENCE

Onboard Starred Michelin Chef - Roland Villard

Food and drink experiences are Chef's passion. Amazonian and International cuisines paired with incredible red and white wines, shore lunches, Brazilian outdoor barbecues, classic cocktails w/ local ingredients before and after special moments, an A-La-Carte Menu, one of a kind breakfast, and much more are part of what you will find onboard the Rio Negro Queen.

For 20+ years in Rio de Janeiro - Brazil, Chef Roland Villard was ahead of the kitchen for the Le Pre Catelan restaurant at the Sofitel Hotel in Copacabana, where he won a Michelin star and was the author of memorable, successful menus.

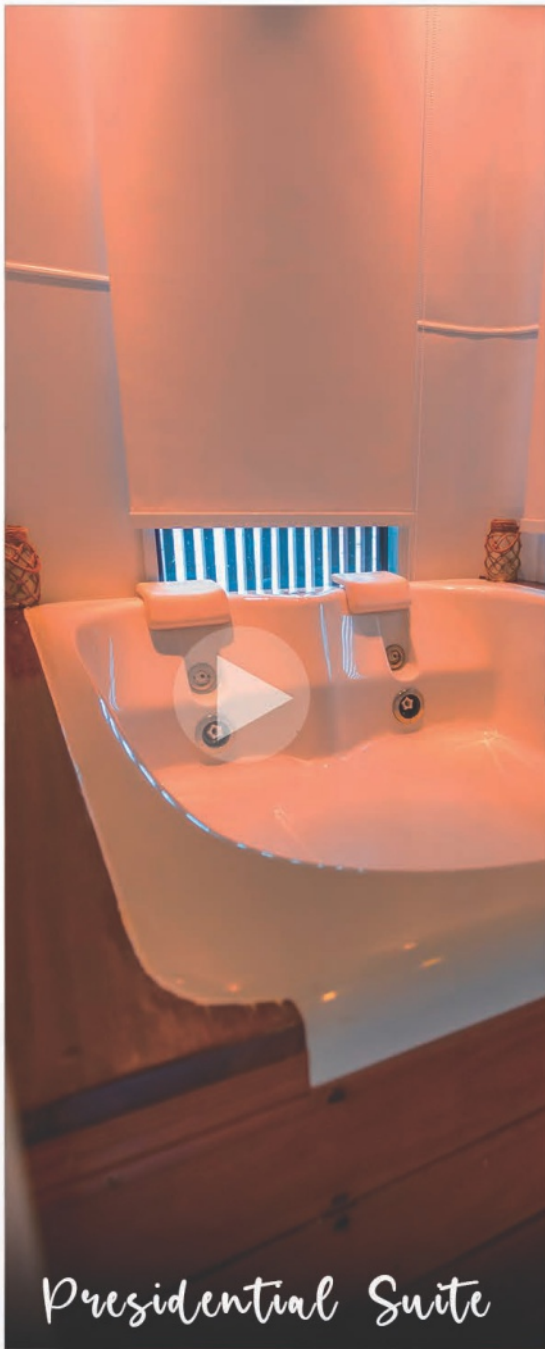

In his trajectory, he made some unique taste menus, such as the classic rice and beans, and created unusual options, such as the Amazonian menu and the Inverted menu, which began with the bill, followed by dessert, the main course, and ended with the entrance. The chef's creativity has won many awards over the years, such as the highlight of the Rio Show Gastronomy Award in 2015.

Along with Chef Roland Villard is Chef Renato Vicente, who makes sure the team is always there for you.
